

## Farnborough Road Infant School Acceptable Use Policy for KS 1 Children.

These rules have been written to make sure that you stay safe when using computers and when going on the internet in school. These rules apply when you are using classroom computers, computers in the ICT suite and iPads in school.

To use computers in school, you need to agree to follow these rules so that you remain safe while using the internet. This is very important to us in Farnborough Road Infant School. Your teacher will talk to you about these rules to ensure that you understand what they mean.

# 'Think before you Click'

Follow these rules and.....

## Stay safe on the Internet

- I will only use the internet in school when an adult is near me.
- I will not give any personal information to strangers like my name, age, birthday, school or any passwords that I know.
- I will never talk to people that I do not know online when using the internet.
- I will use the internet respectfully, in a kind and caring way.
- I will tell an adult if I see something on the internet that upsets me.
- I will handle iPads in school with care.
- I will remember to log out when I have finished using the computer.
- I will not drink from water bottles while using the computers.

**These rules have been discussed with your child at school and copies have been kept electronically in school.**

**A copy is sent home for your reference.**

Thank you for your support in helping us to ensure that the children understand why online safety is so important in this technological age.
