Follow these rules and.....

Stay safe on the Internet

We only use the internet when an adult is near us.

We keep our personal information private.

(Our name, address, date of birth, phone number, school and password)

We look at the age rating on games and videos.

We ask a grown up before we buy an app.

We never talk to people we don't know online.

We switch off the computer/tablet and tell a grown up if we don't like something and ask them to report it to CEOP.

We use the internet respectfully, in a kind and caring way.
