

# The Change Team

**Farnborough Road Infant School**  
Learning, Caring and Achieving Together

## 1.3 A Change Team is nominated and appointed.

**Farnborough Road Infant School**  
*'LEARNING, CARING AND ACHIEVING TOGETHER'*  
**Wellbeing Update**

*As part of our journey towards the Optimus Wellbeing Award for school, we have set up a 'Change Team' to meet and discuss ideas to enhance wellbeing for our whole school community.*

*The team is made up of representatives across our school community. The team members are:*

*In our first meeting we talked about the feedback from parent, staff and children's questionnaires. Thank you to everyone who contributed to this. The comments were extremely useful. We addressed some issues for staff and pupils systematically through staff training and pupil assemblies. We also used 'Mental Health Awareness week' to focus on feeling 'connected'. The staff and children gave some lovely feedback to the timetable of activities that were experienced. We are using common themes raised by parents/carers on the questionnaires as discussion points for our 'Change Team' meetings. Look out for our next update where we will share our action plan and what we are hoping to achieve.*
