Dear Parents

PUPIL NUT ALLERGY

In school we currently have some pupils who have a severe food allergy to nuts. It is very important that these children completely avoid contact with nuts of any kind, in order to prevent a severe allergic reaction.

We are asking for your help to provide these children with a safe environment. No items which contain nut products should be brought into school. If any foods which contain nuts have been eaten before coming to school, then please could you ensure that your child has thoroughly washed their hands and face before arriving in school.

Many thanks in advance for your assistance with this matter.

Yours sincerely,

Mrs K Touhey
Inclusion Leader/SENCO
