Dear Parents and Carers,

It is lovely to have the children back in school and ready to learn after the Christmas break.

We want to take this opportunity to thank you all for your unwavering support during the Autumn Term and to reiterate some of the messages we sent out to our families before we started back at school in September.

As we move in 2025, we continue to hold the families affected by the tragic events over the summer in Southport, in our thoughts and in our hearts.

As we continue on this journey, please can we remind you to continue to be very mindful of our Farnborough families in our community who have been directly impacted by this incident. These families involved deserve to come to our schools feeling safe and secure. They have asked that you do not speak to them directly about what we may hear in the news as the trial commences and continue to be mindful of how we communicate with each other in the coming weeks and months.

We will continue to support you as our community as we navigate through these most difficult of times together. If you do need to talk, we have arranged two drop-ins for adults in First Steps Family Wellbeing Centre on Thursday 30th January at 8.50am and Friday 7th February at 8.50am. If you need any additional guidance you may also find this a useful source of information <https://www.sefton.gov.uk/southport-together/>

We thank you for your continued support.

Yours sincerely,

Jennifer Sephton
