

Frank Hornby

Meccano

Teddy Roosevelt

- Meccano construction toys were first made in 1901 by Frank Hornby for his son.. He was about to revolutionise the toy industry.
- Frank Hornby founded Meccano Ltd in 1908, in Maghull. He went on to create Hornby model Railways in 1920 and then dinky toys.
- Teddy Roosevelt is believed to have been involved in the development of the teddy bear. Steiff bears are believed to be the first bears in Europe.
