

- Our school is located on Farnborough Road, which is in Birkdale. We live in Southport, England.
- We live near to the coast, sea and beach. These are physical geography features.
- There are human geography features in our locality, such as shops and roads.
- Maps, symbols, keys and aerial perspectives help us to explore our locality.

locality	An area or place where something is. Our locality is Birkdale.
enquiry	To ask questions to find out more information.
symbol	A small picture to represent a location on a map.
key	A collection of symbols in a list to show what is on a map.
physical geography	The ways in which nature has formed and changed our planet.
human geography	The ways in which people have formed and changed our planet.
