This week we received the sad news that Mrs Dorothy Pulman, a much loved Farnborough Road Infant School Nursery teacher, had died recently.

Mrs Pulman ran the Nursery classes from 1962 until 1989, when she retired.

Mrs Pulman touched the hearts of many families during her time at our school giving 27 years dedicated service to our 3 and 4 year olds, including our own Miss Sanders in Room 1. Miss Sanders was actually in Mrs Pulman's very first Nursery class when the Nursery opened.

We have sent a 'Golden Smiles' rose to her family to plant in their garden in her memory from FRIS.

Parent Governor Election

Thank you for the 3 Parent Governor nominations we received on Monday. We now have 3 new parent governors;

I look forward to working with them in supporting our school as we continue to provide excellent education for our children.

'We love our community'

Help us demonstrate that 'We love our Community' by raising money for Cancer Research UK. As part of Southport Learning Partnership, we are working together with other schools on this joint project.

This year we are hoping to repeat the success of this community project on Friday 10th February. The idea for this event came from our school council pupils who were part of the vote during the Southport Learning Partnership joint school council meeting. We hope every child in the town will wear their own clothes for the day in exchange for a donation of £1 and that together we can raise several thousand pounds for this great cause. Mrs Tickle's Ladybird Class can wear their own clothes on Wednesday 8th February. Many thanks for your help with this appeal and we hope together we can all make a huge demonstration that we 'Love our Community'.
